Article II . . .

Section 1. Election and Succession.

The officers of the Commission shall include a chairperson, chairperson-elect, vice chairperson, secretary and treasurer. The Commission can designate additional officers as necessary. The chairperson and the vice chairperson shall be Commission Members, and all officers shall be either Commission Members or other individuals who do not vote. A single Commission Member may be appointed to serve in more than one of these capacities if necessary, and if no other appointment is made, the Chair shall be deemed appointed in the concurrent capacities of Chair, Treasurer and Secretary. Officers shall be elected by the Commission upon motion at any meeting at which a quorum is present, and shall serve for an initial term of two years, which term may be extended by up to three months if the position would otherwise become vacant before the convening of a meeting of the Commission or other action sufficient to appoint a successor. Commission Member officers shall immediately step down if State membership status on the Commission is lost. Vacancies caused for any reason may be filled at any meeting at which a quorum is present. The officers so elected shall serve without compensation or remuneration, except as provided by the Compact. Commissioner will be the only voting member, officers will be non-voting.

Section 2 . . .

c. Secretary. The secretary shall keep minutes of all Commission meetings and shall act as the custodian of all documents and records pertaining to the status of the Compact and the business of the Commission. The secretary may delegate its records creation and keeping functions to the Compact Administrator.

d. Treasurer. The treasurer, with the assistance of or by delegating to the Commission’s executive director Compact Administrator, shall act as custodian of all Commission funds and shall be responsible for monitoring the administration of all fiscal policies and procedures set forth in the Compact or adopted by the Commission. The treasurer shall execute such bond as may be required by the Commission covering the treasurer and any other officers, Commission Members, Compact Administrator, and Commission personnel, as determined by the Commission, who may be responsible for the receipt, disbursement, or management of Commission funds. The treasurer directly or by delegation to the Compact Administrator shall prepare draft annual budgets for the Commission’s consideration and adoption. The treasurer directly or by delegation to the Compact Administrator shall may seek a letter determination from the Internal Revenue Service of the Department of the Treasury that the Commission is a governmental body eligible for tax deductible charitable donations.

Article VI . . .

Section 1. Meetings and Notice.

It is the policy of the Commission that all called meetings of the Commission, except those of an Executive Session nature, shall be made open to the public. A meeting of the Commission shall
be deemed of an Executive Session nature if any substantial portion of the matters discussed involving contract negotiations or approvals, legal strategy for a threatened or pending lawsuit, lobbying strategy, discussion of a matter that could affect an individual’s reputation, or issues involving a reasonable expectation of privacy, such as discussions of confidential information obtained from allied organizations pursuant to the purpose and authority of the Commission shall be made open to the public. Subject to the foregoing policy, the Commission shall meet at least once each calendar year at a time and place (including by electronic means) to be determined by the Commission. Additional meetings may be scheduled at the discretion of the chairperson, and must be called upon the request of a majority of Commission Members. Except in the case of emergency meetings, all Commission Members shall be given written notice of Commission meetings at least five (5) days prior to their scheduled dates. Emergency meetings of the Commission may be called at any time at the discretion of the chairperson, and must be called upon the request of a majority of the Commission Members. Every reasonable attempt shall be made to give at least twenty-four (24) hours prior notice to all Commission Members for an emergency meeting of the Commission; however, prior notice may be waived by a majority of Commission Members who actually are present at the emergency meeting. Any meeting in which all commissioners participate, or to which no commissioner objects to notice electronically or in writing within 2 months thereof, shall be deemed a duly authorized emergency meeting for all purposes if it would otherwise lack adequate public notice to be held. In the case of meetings that are open to the public, notice to the public shall be made by electronic posting on the Commission website, along with participation instructions if the meeting is to be held by electronic means. A summary agenda may be included with such public notice. The chairperson may, depending on the circumstances, afford any person who desires to present a statement on a matter that is on the agenda an opportunity to be heard at an open meeting of the Commission. The chairperson may limit the time and manner of any such statements at any open meeting. Except with regard to emergency meetings of the Commission, for which agendas are not required, initial agendas shall be provided to all Commission Members no later than five (5) days prior to any meeting of the Commission. Thereafter, additional agenda items requiring Commission action may not be added to the final agenda, except by an affirmative vote of a majority of the Members. The Commission Members are free to meet and discuss Compact matters during times and places outside of the scheduled meetings, such as during weekly operations conference calls. However, all binding decisions requiring a vote of the Commission shall be made during a Commission meeting scheduled in accordance with this provision. A “binding decision” is exclusively one that substantively alters the rights and obligations of the Commission, the Commissioners, the Officers of the Commission, or the Compact Administrator, or that offers a final advisory or binding opinion or interpretation within the purview of the Commission to offer.
